All Entering Students are required to live on-campus for the first two years.

Antioch College reserves the right to deny on-campus housing to anyone 30 years-of-age or older.

Children are not permitted to live or reside temporarily (or otherwise) in any Campus Housing due to safety reasons. Dorms are not built to the safety standards and requirements that would afford the safety of children, but instead are intended for students use only.

C. Know Someone You Think Would be a Good Roommate for You?

Entering Students: must list one or two preferred entering roommates below if possible. You CANNOT be assigned together unless you have requested each other, and space is available when it is your turn to be assigned. Sorry, we cannot match First-years with non-First-years. We cannot guarantee roommate matches, but we will try. All first and second-years must list two roommate choices.
