

Credits Earned in the Final Two Years Policy

Antioch College recognizes that the learning that takes place in the final two years during a student's course of study is the most intense, and the College especially values the deep study that takes place during the Senior Seminar and the Senior Project. It is for this reason that the following Policy is in place:

- 1) 45 of the last 90 quarter credits earned towards a Bachelor's Degree must be earned through Antioch College.
 - a) Students who will not pursue the optional fifth co-op are required to take all credits in the final three study terms of the fourth year through Antioch College, based on an average load of 15-16 credits per study term.
 - b) Students who are pursuing the optional fifth co-op are required to take
 - i) All credits in the final two study terms,
 - ii) All credits in the final two work terms, and
 - iii) A portion of the credits of the study term before the final two work termsthrough Antioch College, based on an average load of 15-16 credits per study term and 4-5 credits per work term.
- 2) The Senior Seminar, the Senior Project, and the Senior Reflection Paper, which represent capstone educational experiences, must be taken at Antioch College, and not through any consortial arrangement.

Consortial arrangements, such as cross-registration through SOCHE or GLCA, may be used to meet up to 20 out of these 45 credits, with the exceptions of the Senior courses noted above.
