Incoming class of 54 students, with the majority in face-to-face classes. He shared demographics of the incoming class.

Staff Vacation Policy

Angela shared a recap of actions taken surrounding this policy which was passed by this council on May 8 and effective on August 1. A counter-proposal was created by a small group of staff members. Three options were presented to staff and were shared with the council.

Any change in the policy approved on May 8 will create a budgetary change that will have to be addressed by John first, then to the Finance Committee, and finally, the Board of Trustees as it implies a budgetary change.

Scheduling College Council meetings going forward

The drafted timeline of elections for College Council and Comcil were shared. Kevin will confer with curriculum committee to determine if that time slot might be available for this group.

Ad in YS News about reopening

The ad appearing in the paper politely asked people not to come to campus. Hannah raised the question as to what degree we enforce that request. It was decided that signs will state we require masks for those on campus and visitors will be barred from entering buildings unless on college business.
