Essays

Your ability to communicate and your seriousness in doing so are two of the most important aspects of your application. We urge you to take sufficient time to develop reflective and thoughtful responses. **Please submit two typed**, **2-5 page essays**. The first is required of all applicants; the second may be chosen from the options below.

Required essay topic: Drawing from your prior educational experiences, how do you see yourself adapting to the combination of co-op, classroom and community at Antioch? How does this educational philosophy match your learning style?

Optional essay topics:

1. A local, national or international issue which may be of great concern to you. Share your ideas and convictions on this issue.
2. Many experiences influence our lives and help us to understand ourselves—family experience, community experience, work experience, travel, or unusual events. Choose one of importance to you and explain how you were affected.
3. Select and submit one of the following: slides or photographs of your art work with detailed descriptions; a paper you wrote for a class preferably with teacher's comments; a description of an experiment in which you were involved; a report on some personal interest or involvement, or writing, (e.g., poetry, fiction or journals you have written).
4. Choose your topic.

NOTE: **Actual craft work cannot be accepted.** Slides and photographs should be clearly marked with your name and submitted in plastic photo sheets. Slides and photos can be returned upon request only if you provide a self-addressed stamped envelope. NO VIDEO OR AUDIO TAPES WILL BE ACCEPTED.

The Application Process

1. Complete the Application for Admission form and return it to the Antioch College Office of Admissions and Financial Aid with the non-refundable $35 application fee (check or money order only). Fee waivers may be granted to applicants for whom the fee would be a serious financial burden. To request a fee waiver, submit a substantiating letter from your school counselor or a copy of the Fee Waiver Request (College Board or ACT Assessment program).
2. Arrange for your transcript to be forwarded to the Admissions Office by your high school counselor or other person responsible for preparation of transcripts.
3. Arrange for official transcripts to be forwarded to the Admissions Office from each college or university at which you have enrolled in credit coursework.

At least one reference should come from a person who is familiar with your academic work. References in addition to these two required references are optional, but recommended.
5. Arrange for the Admissions Office to receive a score report for the SAT and/or ACT test (optional, but recommended). Antioch's SAT code number is 1017; its ACT code number is 3232.
6. A personal interview is strongly recommended. Applicants are encouraged to visit the Antioch campus for the interview so that they have an opportunity to attend classes and visit with faculty and students. If this is not possible, applicants can contact the Office of Admissions and Financial Aid to have an interview in your area with an alumnus/a, faculty member, or admissions staff member.

Please note that, if the college needs additional information about an applicant in order to make an acceptance decision, personal interviews and/or test scores may be required.

The Admission Decision

In evaluating an applicant's qualifications and making an admission decision, Antioch College considers personal qualities such as involvement, independence, and self-direction as well as academic ability and/or potential. Consideration is given both to the applicant's ability to be successful in academics and to be an active participant in the Antioch community.
