Short Answer Questions

Please respond thoughtfully to each of the following questions. They are designed to give you an opportunity to relate your experiences that qualify you to be an Antioch Community Scholar. Typed responses are preferred. Please attach your responses to this sheet.

1. Describe an experience of working with someone different from yourself in terms of age, race, class, sexual orientation, religion, physical or mental disability, or another perspective. What did you learn from this experience?
2. Many problems plague the world. These problems range from adult literacy, teenage pregnancy and unemployment to environmental issues. The Antioch Community Scholars Program is committed to the idea that students can change the world through service. What single problem do you think is the most urgent crisis in your community and/or in today's society at large and why?
3. What are your primary motivations for being an Antioch Community Scholar and doing community service?

These forms may also be faxed directly to Financial Aid at (937) 769-1133 or e-mailed to oharshaw@antioch-college.edu.

Thank you for your interest in this program.
